READY TO WEAR EYELASHES - PESTAÑAS LISTAS PARA USARSE - FAUX-CILS PRÊT À POSER - つけまつげ
ADH. SINE GLUE

SELF ADHESIVE EYELASHES INSTRUCTIONS FOR USE:

Apply glue to the edge of the eyelashes and the adhesive side of the eyeshades or lash to adhesive to bridge of your own lashes and press gently from the outside to the inside corner of your eyes.

These eyelashes are easily removable by gently pulling the external edge of the eyelashes up.

NOTE ON THIS READY TO WEAR EYELASHES:

• Do not use if the glue has dried or become hard.
• Do not use if the glue has become yellow or brown.
• Do not use if the glue has become sticky or hard.
• Do not use if the glue has become brittle or flakey.

WARNING: Keep out of reach of children. Do not use if the glue has become hard or brittle.

HOW TO USE:

• Apply to the bridge of your nose or under the eye.
• Apply to the bridge of your nose or under the eye.
• Press the eyelashes gently to the bridge of your nose or under the eye.

• Do not use if the glue has become hard or brittle.
