Annex C

CONVERSION OF THE VEHICLE: TOYOTA LAND CRUISER HARDTOP AMBULANCE		
A	**PATIENT COMPARTMENT FITTINGS**	
1	***Partition with sliding window*** * High Quality water proof PVC integral sheet, fixed with steel brackets. * Sliding glass window for communication.	
2	***Cabinet for medical equipment*** ***Oxygen cylinders cabinet*** ***Ceiling*** ****Material: Fiberglass*** * Equipped with storage for medication and consumables.	
3	***Flooring:*** * Made with marine grade plywood - 18 mm thick, sturdy non-slip, anti-static and liquid-resistant vinyl.	4	***Doctor Seat and Squad bench with under seat storage, backrest and seat belt*** **** Material: Fiberglass*** * Capacity: 3- 4 persons * Contour Foam mattress, seatbelt and backrest * Storage space, under the bench.	
B	**ELECTRICAL SYSTEM**	
5	***Electric wiring with insulation*** ***Electric control panel/fuse box*** * All wires are made of fire retardant and temperature resistant material. No joints or taping. * Separate fuses for all connectors. * 2x Socket - 12V * 2x Outlet 220V ***Shore line*** * with connection cable 10m and 220V oulet	
6	***Roof type ventilation fan (KALORI - FRANCE)*** *Electric rooftop ventilator, equipped with a spoiler (water and air deflector) *Inside the vehicle, use a diffuser or an air shutter *Airflow: 700 m^3/h *Electrical consumption: 40 W	
7	***LED lighting for the patient compartment*** * General & Complete various lighting of patient's cabin 12V	
8	*Reverse alarm*	

9	***LED light bar with siren, speaker and microphone*** *(color:as per customer requirements)* * Voltage : 12V * Light source: 0.25w led, 44pcs led/module, 8 modules, 2 halogen alley lights, with * Speaker in the middle; controlled by siren	
10	*Strobe lights at the back of the vehicle (color:as per customer requirements)*	
11	***Loading light*** * LED Type	
12	*Air conditioning unit for the patient compartment*	
C	**OXYGEN SYSTEM**	
13	***-10L Oxygen cylinder, regulator, outlet and flow meter humidifier*** ***-Suction pump, regulator, outlet and suction jar*** ***-Oxygen system related hoses***	
D	**PATIENT TRANSPORT EQUIPMENT**	
14	***Automatic Loading Stretcher*** ***(CE Certified)*** * Stainless steel/ aluminum alloy frame. * With foamed cushion and adjustable head section. * It's light weight, durable, safe usage and easy for sterilization.	
15	***Foldable Stretcher*** ***(CE Certified)*** * Made of high strength aluminum alloy material * Folded in length and width, easy for transportation and storage	
E	**MEDICAL EQUIPMENT**	
16	***First Aid Kit*** ***(CE Certified)***	
17	***Emergency Blanket*** ***(CE Certified)***	
18	***Sam Splint*** ***(CE Certified)***	

19	***Bandages*** ***(CE Certified)***	
20	***Manual Suction Device*** ***(CE Certified)***	
21	***Syringes 3ml, 5ml, 10ml*** ***(CE Certified)***	22	***Wall Mounted Sphygmomanometer*** ***(CE Certified)***	
23	***Stethoscope*** ***(CE Certified)***	
F	**OTHER ACCESSORIES**	
24	***Fire extinguisher***	
25	***Side reflective lines***	
26	***All text and logos***	
27	***IV Hooks***	
28	***Sharps container***	
29	***Glass tinting***
