## Notes:

This calculator is an estimator and is for general information purposes only. Certain offers/special pricing are not included in financing/lease calculations. For details, visit your Toyota dealer. Dealer may sell for less.

Vehicle Price reflects Manufacturer's Suggested Retail Price (MSRP) in Canadian dollars and includes Freight & PDI of \$1,785, Air Conditioning Charge of \$100 if applicable and maximum Dealer Fees<sup>[7]</sup> of up to \$399. A Toyota dealer is free to set its own selling price for Toyota products and services.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be exact cost of installation at a dealership. Please confirm accessory pricing with your Toyota dealership.

Price includes Roadside Assistance, a full tank of gas and floor mats.

Additional down payment may be required if trade-in value is lower than amount owing on trade-in.

Prices do not include insurance, license, products or services that may be made available to you through your selected Toyota dealer.

Cash incentives (including incentives for cash customers, customer incentives, lease assist, finance assist and various other cash incentives that can arise from time to time) include an amount on account of sales tax and are applied after sales taxes have been charged on the full amount of the negotiated price.
