Technical Specification sheet

GLOVEZILLA MEDICAL GLOVE

THE Glovezilla medical semi-disposable glove range offers the following advantages over a standard medical disposable glove :

- Textured construction with diamond grip for extra strength, grip and durability
- Powder Free yellow Nitrile gloves
- Passes EN ISO 374-5 : 2016 for resistance to bacteria and fungi
- An A rating for TDM cur resistance on a disposable glove
- Excellent elasticity
- CE category III
- Longer cuff length (30cm); more suitable for maintaining a good seal with sleeved garments.
- Added chemical resistance
- AQL 1.5
