

High Voltage Hair Pop Paint

Pimps and Pinups is excited to be launching their new patented HIGH VOLTAGE HAIR POP PAINT that provides electric hair colour, without the commitment.

High Voltage comes in six vibrant colours that allow you to achieve an edgy new look without spending hours in the salon. With easy application and zero mess, High Voltage produces instant colour that won't drip or stain skin. The colour easily washes out, making it the perfect go-to product to make a bold statement. The first ever to work on blonde to black hair and everything in between.
