OSKA 1003 Bed

The image shows a white, motorized medical bed, identified as the OSKA 1003 Bed. It is positioned in a room with large windows in the background. The bed has a white frame and a white mattress. A black control panel is visible on the side of the bed. The bed is mounted on a metal frame with four wheels, two of which are swivel casters. A black coiled cable is attached to the side of the bed. The bed is currently in a flat position. The background shows a room with large windows and a yellow object on a table.
