MEDIUM SIZE

HEAVY DUTY GLOVES MADE FROM
BUTYL RUBBER
RESISTANT TO MOST CHEMICALS

EXTRA
STRONG

Extra Strong multi purpose
Household gloves are a heavy
duty glove made from Butyl
Rubber which is resistant to
MOST chemicals

Suitable for one when buying
tools or car maintenance
they are ideal for heavy duty
cleaning and all gardening
and car treatment

To care for your gloves at home,
wash in detergent or
washing up liquid. Rinse in
clean water and dry thoroughly.
Hang up to air, away from
direct sunlight and artificial
heat sources.
