

INGREDIENTS

Beef, Salt, Preservatives (sodium nitrite)
Prepared with 123g beef per 100g of finished product

STORAGE

Store in a cool dry place. After opening, repackage in a covered non-metallic container and consume within 2 days.

SERVING SUGGESTION

Ready to eat. Can be eaten hot or cold.
Great for a traditional great British Corned Beef Hash or alternatively on a sandwich or with salad.

WARNING: Although every effort has been taken to remove bones, some small bones may remain.

INSTRUCTION

Remove label and open using the attached key.

Avoid touching the sharp edges of the can.

Best Before: see end of can.
